

Fushānoonoo, P.I.

and the Case of
the Golden Fushānoonoo

M. ~~to~~ F,

February 17th, 2008

This letter is not for any purpose other than a courtesy. Per our legally binding agreement dated August 1998 we have a worldwide (perpetual), exclusive ~~write~~ right to your likeness etc.

We just finished (wrapped) a feature-length film called "Heist at Main Branch of ~~FFC~~ The FFCU. We are supporting our parent company's "Fushan on Federal Credit Union" marketing campaign.

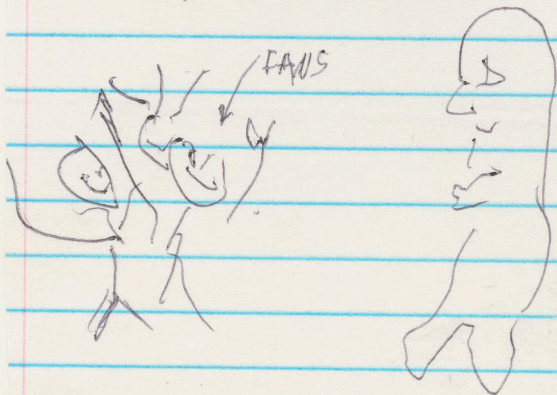

Actually, instead of giving you the synopsis I'm going to invite you and a guest to the premier. Fans and everyone adore you. Free lunch!

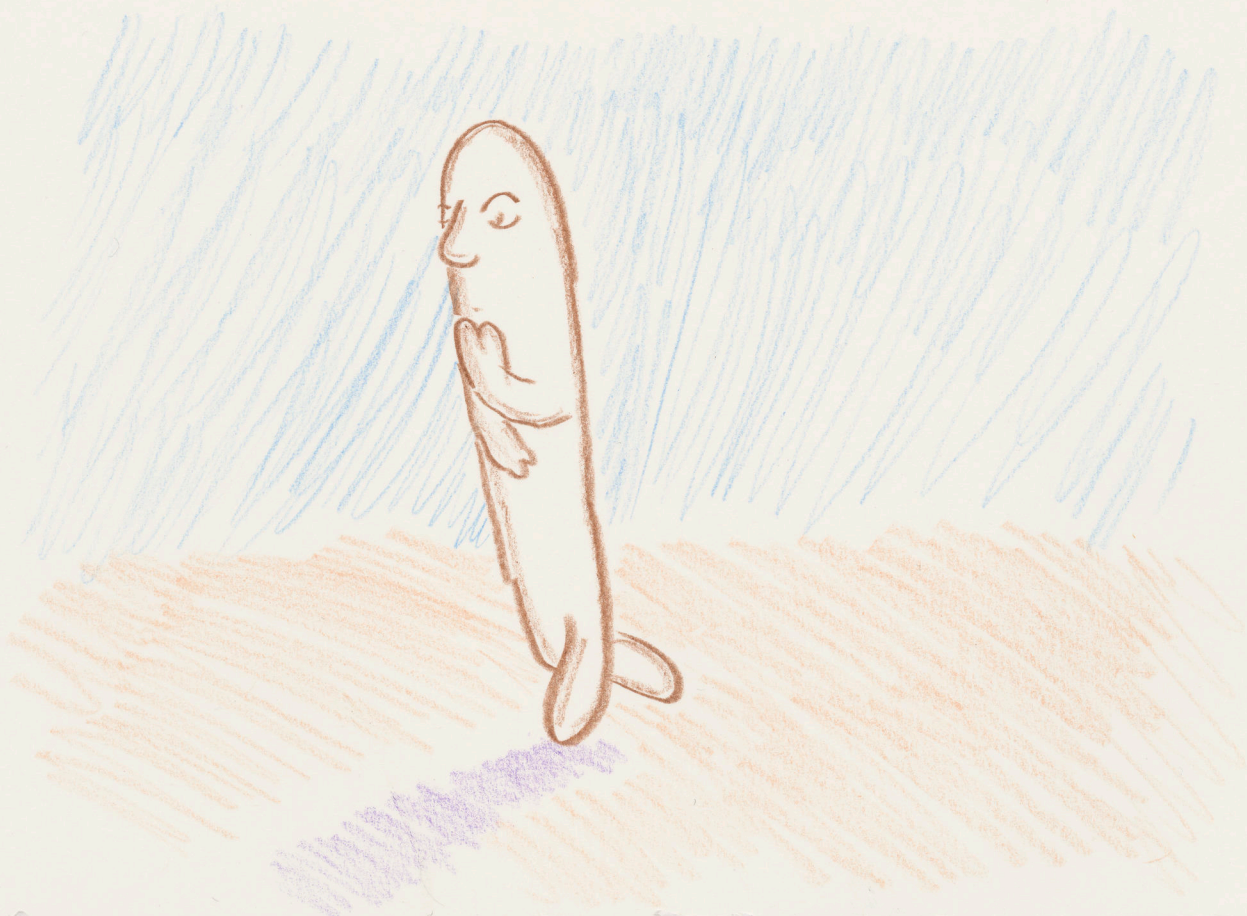

Okay. It'll be a while. Formal invitation to follow once (I)nce logistics are ~~fine~~ ironed out.

Regards,

Douglas H. Carlsson (Doubt is ~~the~~)
Vice President, Fushan Entertainment, L.L.C.

P.S. Sorry I would have written this on letterhead but were almost out and I want to save the last row for more important business.
