

Obelisk

Fushanoonoo  
is my name &  
this is my  
story

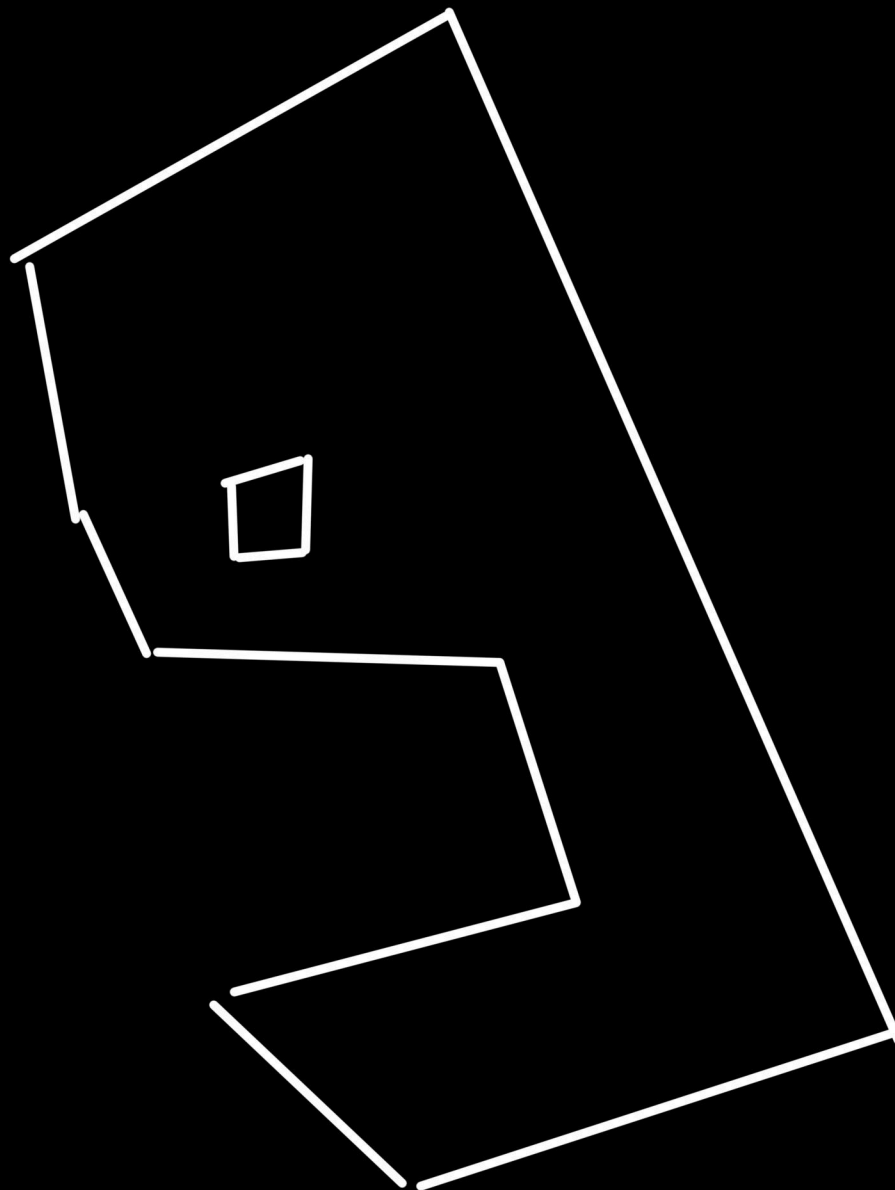

My story is a story of redemption. I have always been an entertainer. as long as I can remember I was dancing. i would dance every single day even when the other hot dogs at the Hot Dog Academy would laugh at me..

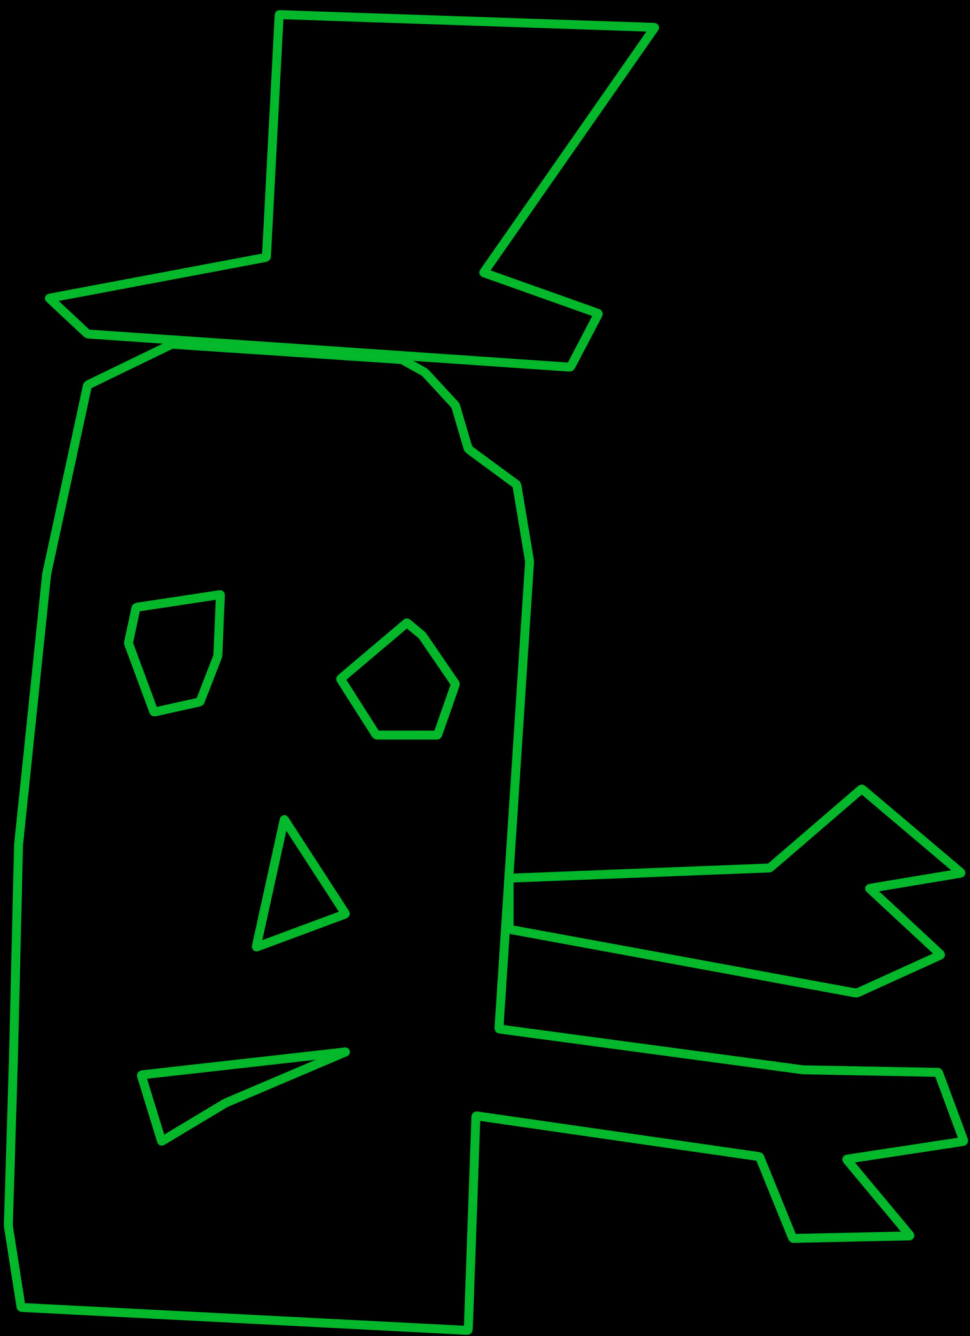

an obelisk yelled at me

I threatened the obelisk

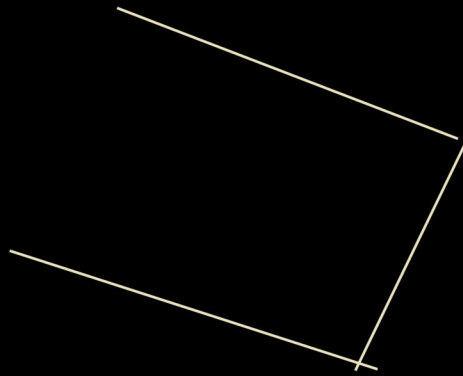

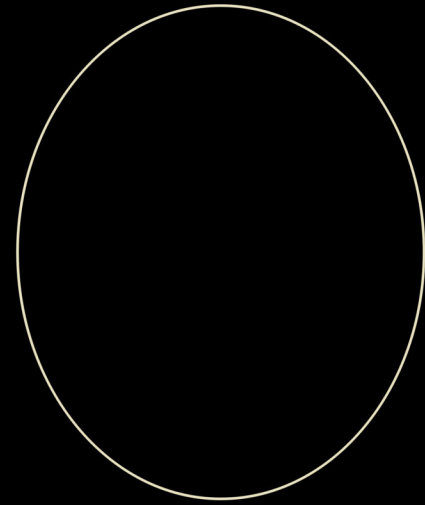

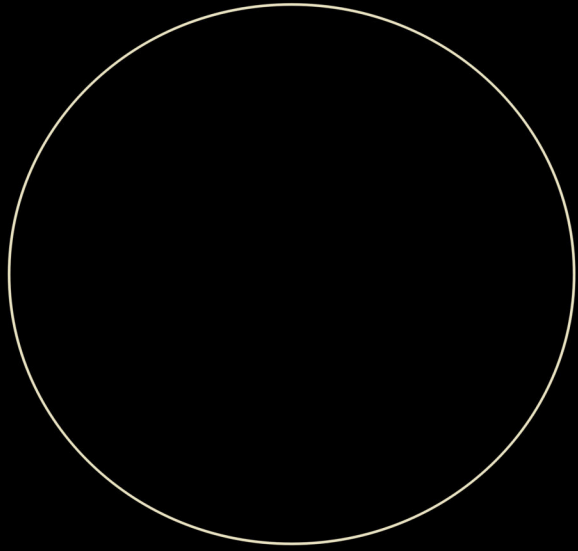

are you scared  
of me

IT WAS  
BAD

then guess what

A BIRD OR FISH

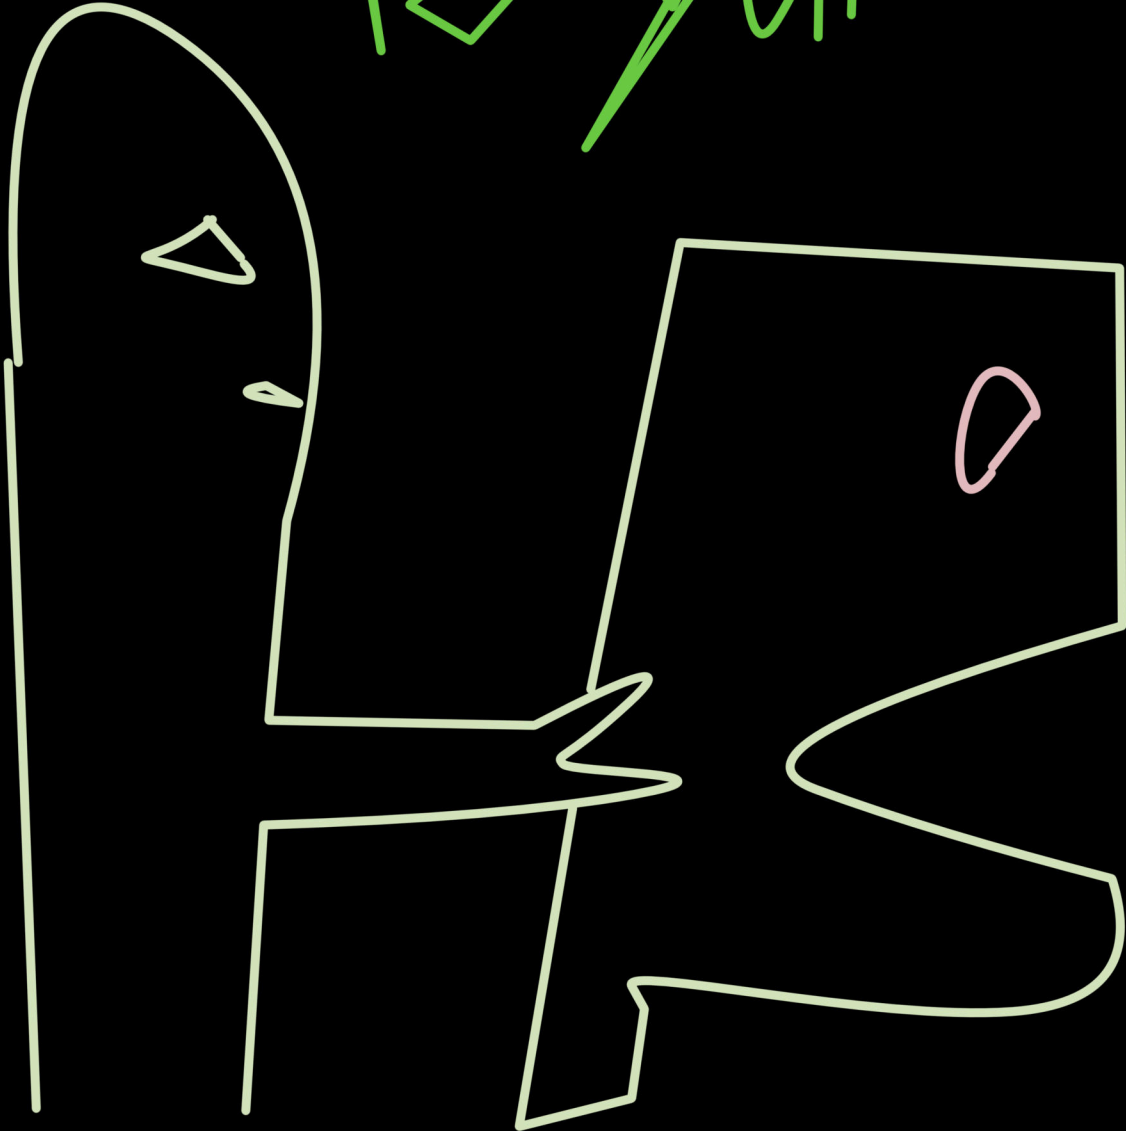

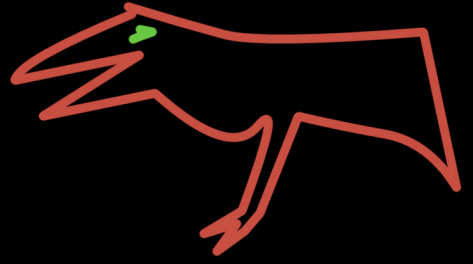

I was so mad

THE  
DELISK  
WAS  
MAD  
TOO

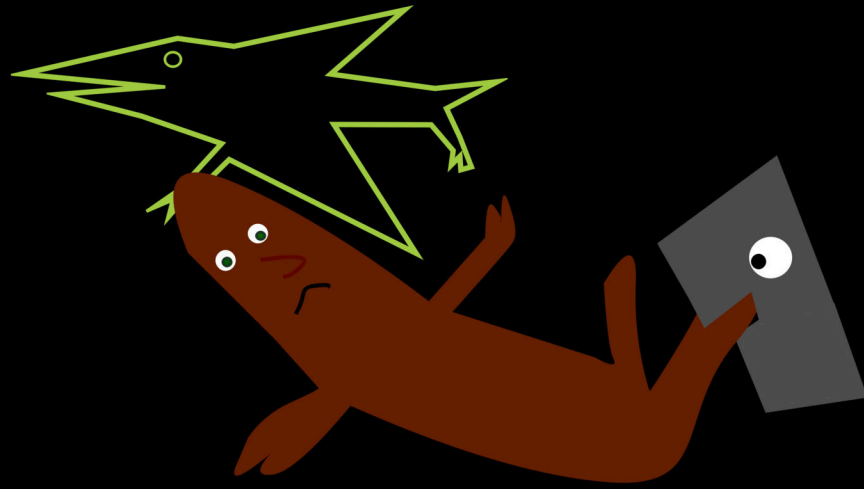

I CLAIMED  
PARENTS  
TO YELL

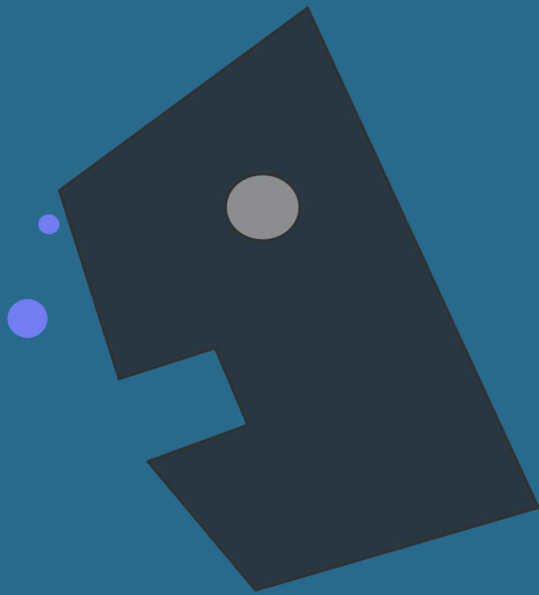

bird fish picked me up  
& obelisk still attached me to it

The bird flew me to the ocean & i would  
ride the obelisk in water

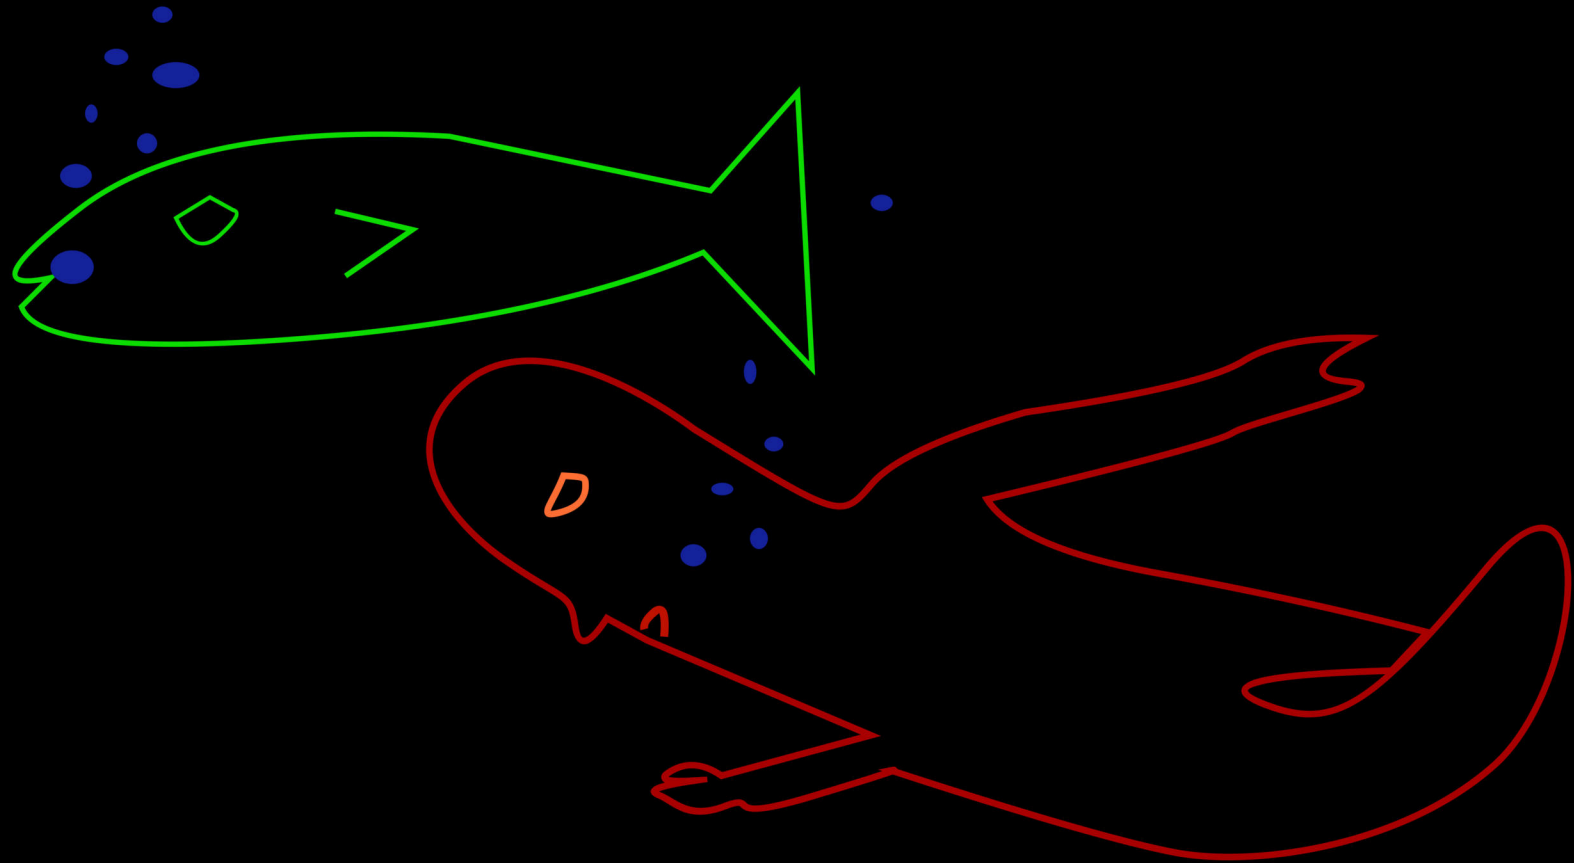

the obelisk sank

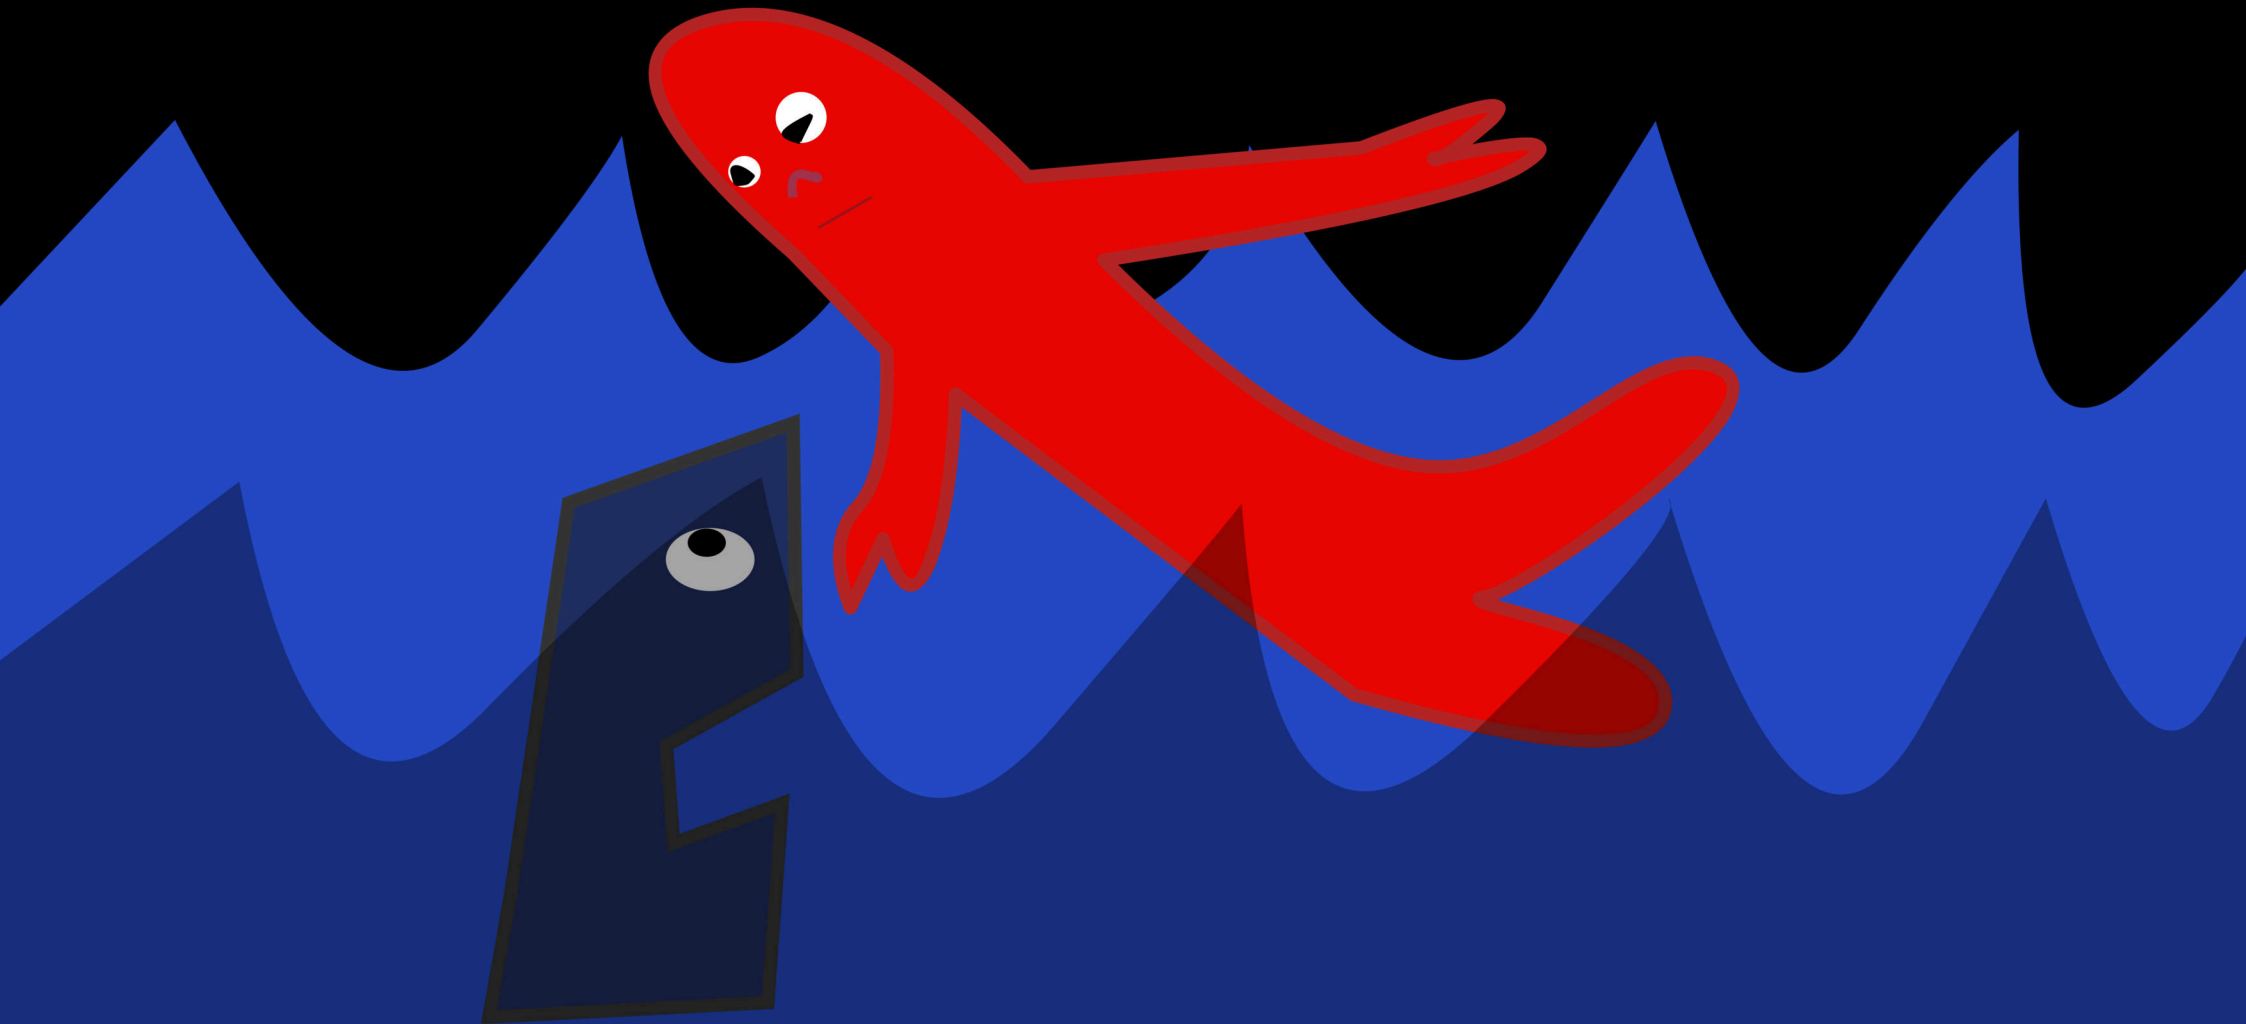

the bird or fish turned into just a fish &  
swam w/me

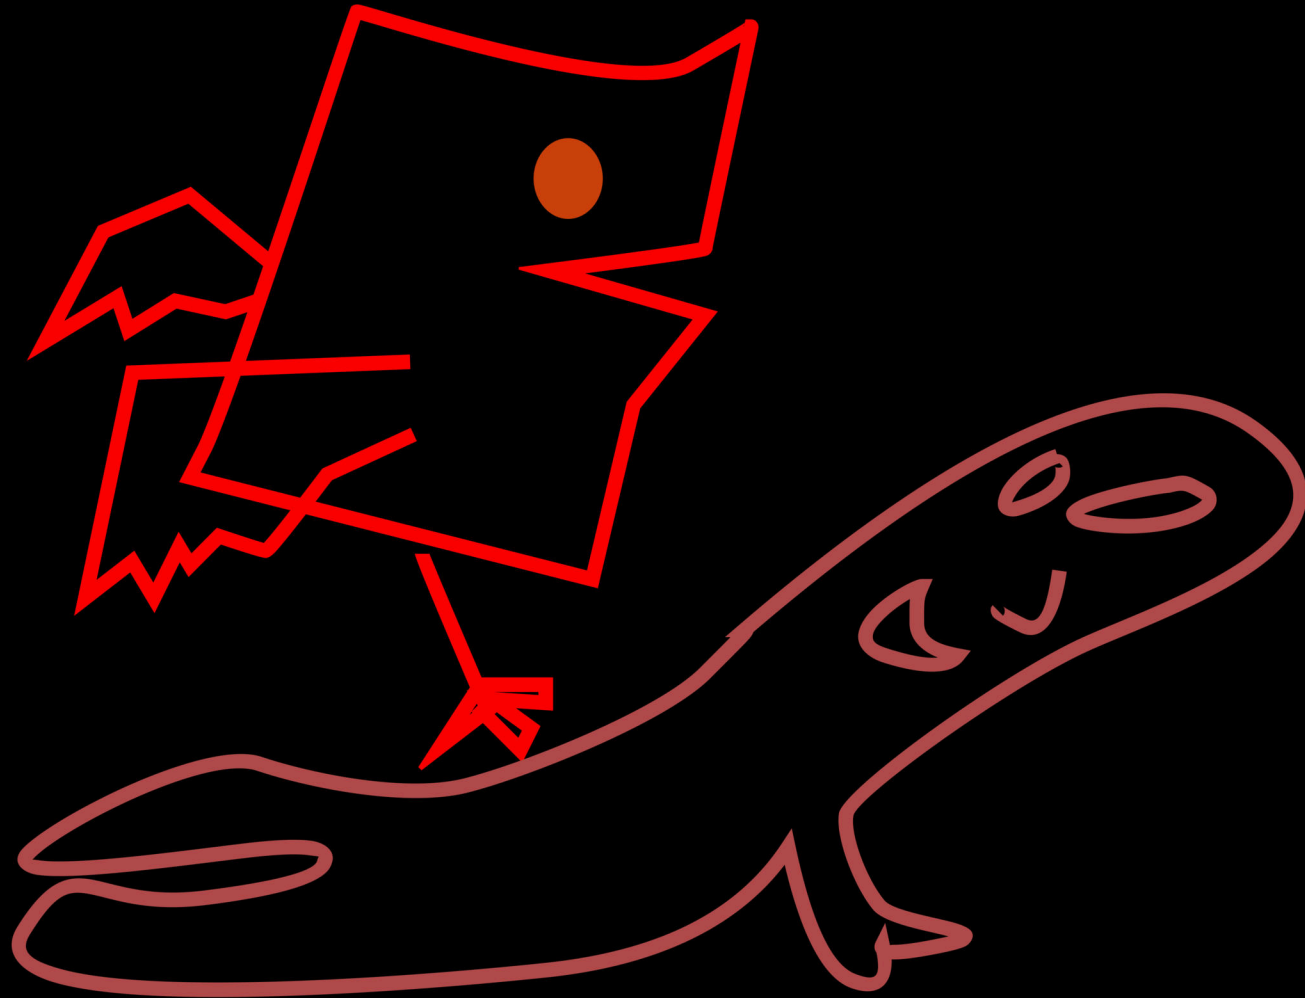

i dove down to rescue the obliisk  
even tho we hated each other

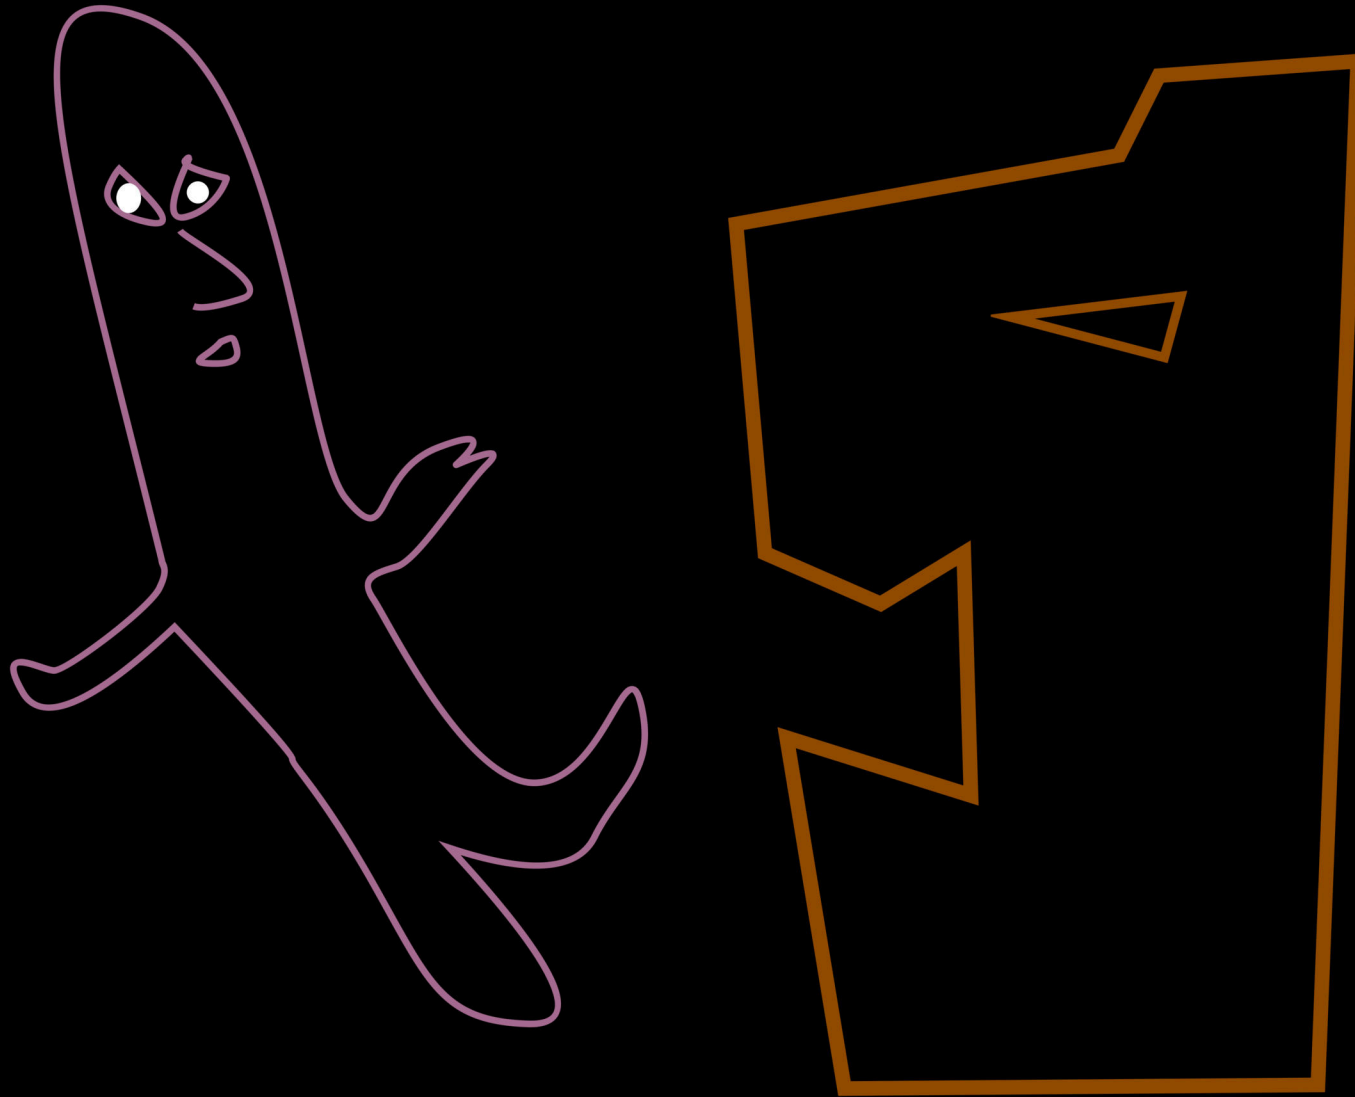

i filled the obelisk  
with air

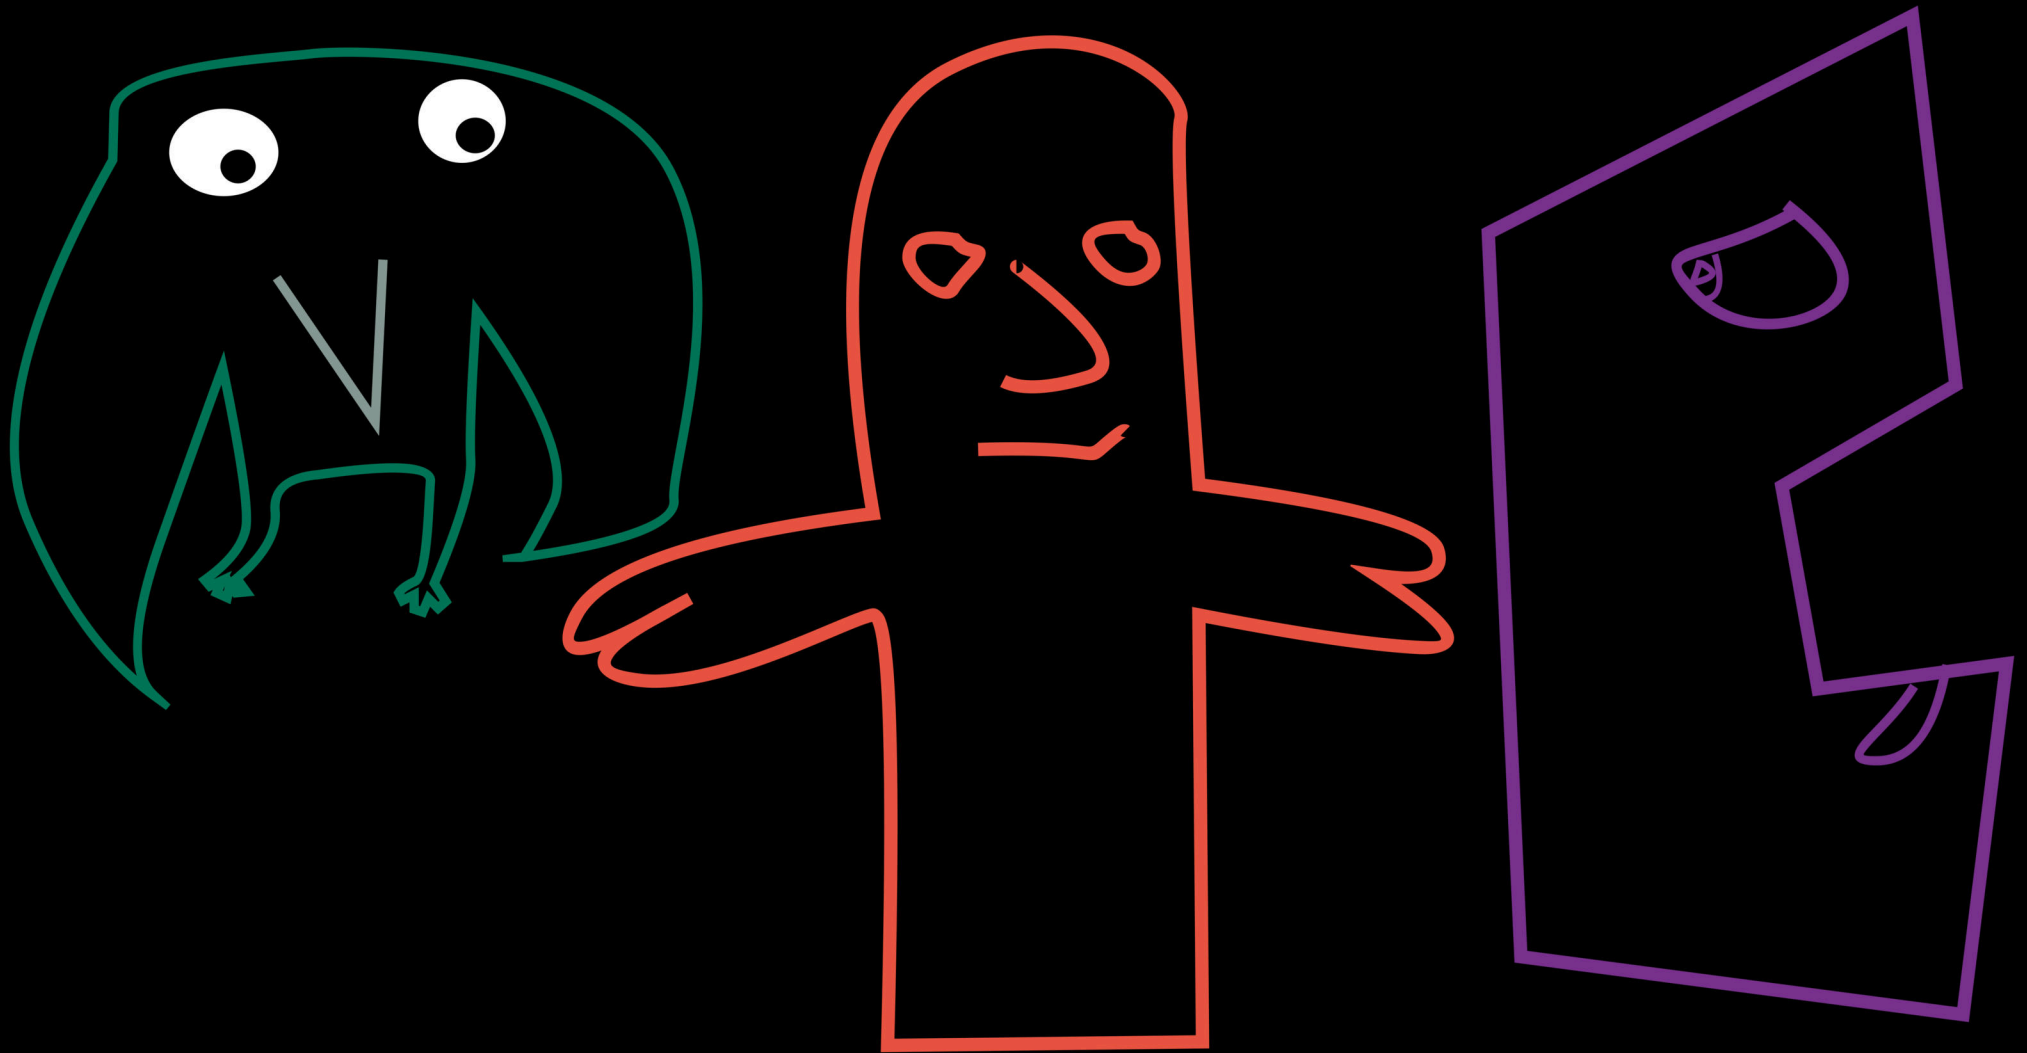

adieu! Obelisk grew wings and we flew  
far away from the bird or fish.

After all we had been together through though we were friends either that or being friends with the fish who was also a bird but make no mistake was not a woolly mammoth

Don't read too much into it  
but choose your friends wisely.

MORE importantly UNCHOOSE  
YOUR ENEMIES
