THE MIDWESTERS* NON-JOKE CALENDAR

Washington, DC is not a very funny city. Instead of comedy clubs there are politicians and transient government contractors. But all hope is not lost for those who are in need of a laugh. Among other things, our Nation's Capital is a prime destination for tourists — school trips, family vacations, honeymoons, etc. The Midwesterners you see in this calendar have agreed to be portrayed in a calendar, telling their favorite non-jokes while wearing their favorite funny packs.

* That should say "Midwesterners."
